New Features in COMET’s Environmental Satellite Resource Center V2.0

Wendy Abshire, Bryan Guarente, and Patrick Dills
UCAR/COMET

26 January 2011
The COMET Program

Two primary “umbrella” websites

The ESRC is a Web site embedded in MetEd.
The ESRC

The Environmental Satellite Resource Center provides...
easy access to a wide range of useful information, education, and training
about low-earth orbit and geostationary satellites from trusted sources.

Guided keyword search (click to expand / collapse)
El centro de recursos sobre satélites ambientales (ESRC) brinda...

Acceso fácil a una amplia gama de información, materiales de enseñanza y capacitación útil sobre satélites geoestacionarios y en órbita terrestre baja proveniente de fuentes fidedignas.

Más información
Search Functionality and Results

Major investment and ongoing commitment from our satellite sponsors, primarily NOAA NESDIS.
More about the ESRC

The Environmental Satellite Resource Center provides easy access to a wide range of useful information, education, and training about low-earth orbit and geostationary satellites from trusted sources.

Basic search

Categorical search (click to expand/collapse)

Choose a category to search within:

- Cases and examples
- Data products
- Education and training
- Satellite applications
- Satellite science
- Satellite systems

Guided keyword search (click to expand/collapse)

Choose a category to search within:

- Applications:
  - Atmospheric
  - Land
  - Ocean
  - Space

- Satellites:
  - Low-Earth Orbit
  - Geostationary

- Instruments:
  - Imaging Instruments
  - Sounding Instruments
  - Other Instruments

- Other Information:
  - Technical Data
  - Science Topics
  - Cases
  - Data Products

Selected keywords:

search
The ESRC: COMET’s Role

1. Maintain the ESRC website

2. Populate it with our own materials, including smaller, focused learning-objects derived from our larger training modules

3. Provide the necessary quality assurance and monitoring to ensure that all resources are appropriate and well described before being made available
Community’s Role

1. Use the site
2. Populate it with materials that you know and trust using the online submission form
Resource Sources
(with focus on training)

- COMET Modules
- VISIT Program Lessons

- U.S. Government
  - NOAA
  - NASA, etc.
- U.S. Military
  - NRL, etc.
- Universities
- Educators
- International Weather and Satellite Agencies
  - EUMETSAT
  - WMO
- Professional Organizations
  - AMS
  - NWA
The Environmental Satellite Resource Center is at:

http://www.meted.ucar.edu/esrc

A simple FREE registration is required to use the site
